With much gratefulness to my Lord for opening my heart to Him and revealing the forces of darkness that are permeating schools, media, entertainment, and even churches—thus training children to love evil and dismiss His truth. May He use this book to equip His families to stand firm in the midst of the spiritual war raging all around us.

Train up a child in the way he should go: and when he is old, he will not depart from it.  
(Proverbs 22:6)

# A PARABLE

**HIGH ON A** ridge overlooking the valley stood the King, framed in the sun's fading light. His form rose like a monument of unyielding strength. Above his head swirled hostile, black clouds. Raging winds snatched at his coat. Yet, he who could quell their assault with a word refused to be distracted. He had fixed his eyes on the valley below. Capturing each tiny detail, he traced the movement of gathering armies. Suddenly, his gaze rested on a shadowy form hidden from ordinary sight. Anger and agony flashed across his noble face.

"I created that imposter," he mused, "but the Prince of Darkness only loved himself. I made him strong and beautiful, but he used my gifts to build his own throne. Did he imagine that his mutinous force could quench my power and hinder my plan? Has he spoken his own lies so often that he has deceived himself as well as my people? His foolish pride kindled this war, but soon even his blinded slaves will see the triumph of my kingdom."

The King's focus moved from the enemy headquarters to the city nearby. Its people slept unconcerned, smug, and oblivious to the scheming, waiting legions.

Tears stung the King's eyes as he spoke to the city he loved. "If only you had listened," he whispered softly. "If only you knew. But you ignored my warnings and went your own way. You followed your own foolish dreams—lies and deceptions that were more pleasant to your ears than my saving truth. My foolish people, open your eyes and see. I came to love and care for you, but you turned away. The thief came to steal, kill, and destroy, and you worship him. If you only knew where you are heading."

Far below, near the edge of the city, where the forest opened to a wide clearing, the grim armies merged into a ghostly, quak-
