

TOPICAL BOOKLETS FROM LIGHTHOUSE TRAILS

The Lighthouse Trails Booklets are topical booklets designed to share with others important truths from a biblical perspective.

What is so wonderful about these Booklets is two-fold: one, we are selling them at very low prices so just about anyone can afford to buy them (with quantity orders of 6 or more of the same title, the discount is as much as 50% off retail); and two, we are told when they are being handed out to people by our readers, people are reading them. That's the best news of all!

Each Booklet is between 10-18 pages and is written by one of the 35 Lighthouse Trails authors. We will be adding new booklet titles

frequently. These can be purchased individually or in bulk at very affordable prices and given out.

Each Booklet is \$1.95 retail with the following discounts:

**6-25: \$1.66; 26-50: \$1.46; 51-100: \$1.27;
101-150: \$1.07; and over 150: 98 cents each.**

THESE DISCOUNTS APPLY FOR QUANTITIES OF THE SAME TITLE.
