

SINCE 2002
VOLUME 16 PRODUCT CATALOG

Greetings,

Thank you for your interest in the publishing ministry of Lighthouse Trails. Since 2002, we have endeavored to proclaim and defend the Gospel in a time when assaults against it are coming from many different directions. Our hope and prayer is that our materials will help you to be watchful and discerning in these tumultuous times, to hold steadfast to the faith, and to be equipped with biblically sound tools to share with others. We believe the products in this catalog point to the wonderful truths of God's Word and to the Gospel which remains "the power of God unto salvation" (Romans 1:16) to "whosoever believeth in Him" (John 3:16). May God bless you and your loved ones.

153 TOPICAL BOOKLETS

Lighthouse Trails began publishing these 10-18 page topical booklets in January of 2013, and we hope and pray they are making a difference! Won't you join us in distributing this essential information to people you know? We believe it is imperative that people are warned about spiritual deception so they will be better equipped to recognize "Satan's devices" and be strongly influenced by the Word of God. The Lighthouse Trails booklets do both of these things.

*The content of each Lighthouse Trails booklet can be read on our blog prior to purchasing (www.lighthousetrailsresearch.com/blog).

Printed on high quality, durable gloss paper
Full color covers
5 1/2" x 8 1/2" | 10-18 pages each
Can be purchased individually or in bulk.

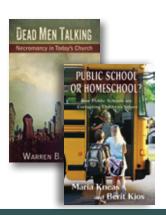

The booklets are topical and designed to share with others important truths from a biblical perspective.

What is so wonderful about these booklets is two-fold: one, we are making them available at very low prices so just about anyone can afford to buy them (and with quantity orders of six or more *of the same title*, the discount is as much as 45% off retail); and two, we are told when they are being handed out to people by our readers, people are reading them. That's the best news of all!

Each booklet is written by one of over 35 Lighthouse Trails authors. We will be adding new booklet titles throughout each year. Booklets can be purchased individually or in bulk at very affordable prices and given out.

Each booklet is \$1.95 retail with the following discounts for multiple copies of the same title: 6-25: \$1.66; 26-50: \$1.46; 51-100: \$1.28; and 101 and over: \$1.07

These discounts are for quantities of the same title.

THE GOOD SHEPHERD CALLS

BY ROGER OAKLAND

Since the turn of the millennium, in particular since September 11, 2001 when America was attacked by terrorists triggering a global-wide spiritual paradigm shift, Christianity as we have known it has experienced a major meltdown. While many are saying Christianity is on the brink of a great revival and even a "new reformation," in reality, we are

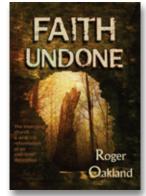

witnessing the greatest apostasy in modern-day history. [GSC]

FAITH UNDONE BY ROGER OAKLAND

The path that the emerging church is taking is leading right into the arms of an interfaith perspective that has prophetically profound ramifications. And you may be surprised at how many evangelical leaders are helping pave the way for this emergent church. [FA] 264 pages

WARREN B. SMITH-

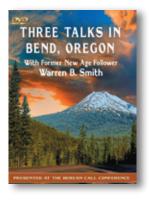

THE TITANIC AND TODAY'S CHURCH BY WARREN B. SMITH

At 11:40 p.m. on April 14, 1912, the RMS *Titanic*—the biggest, grandest ship of its time—collided with an iceberg on its maiden voyage from Southampton, England to New York City. Less than three hours later the seemingly "unsinkable" ship did the unthinkable—it sank to the bottom of the North Atlantic Ocean. It has been well-documented how pride, false confidence, complacency, disregarded warnings, and general unpreparedness all played a part in the *Titanic* shipwreck. Those in charge had underestimated the physical danger in their midst. Sadly, today's professing church shares many of these same characteristics as it similarly underestimates the spiritual danger in its

midst. *The Titanic and Today's Church* is the story of two shipwrecks. One took place over a century ago; the other is in progress and is happening today. The similarities are astounding as they compel us to become more aware of our Spiritual Adversary's schemes and devices (2 Corinthians 2:11), effectively "stand against" them (Ephesians 6:11), and "come out from among them" (2 Corinthians 6:17). **[TNC] 264 pages | \$14.95 | Mountain Stream Press** (distributed by Lighthouse Trails)

THREE TALKS IN BEND, OREGON WITH WARREN B. SMITH—3 LECTURES ON DVD

The information in these three powerful talks is desperately needed in the church today. **Talk #1:** "Another Jesus" Calling—Exposes some of the many problems regarding Sarah Young's deceptive and dangerous best-selling book, *Jesus Calling* (Ephesians 5:11-13). **Talk #2:** A "Wonderful" Deception—A look at how today's church is being "wonderfully" deceived (Jeremiah 5:30-31). **Talk #3:** The Truth, the Whole Truth—What the Bible says about truth

and how it is being manipulated in today's church (John 8:31-32). [TBC-WS-DVD]

EXPOSING THE NEW SPIRITUALITY

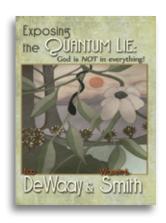

"ANOTHER JESUS" CALLING

How Sarah Young's False Christ Is Deceiving the Church BY WARREN B. SMITH

Inspired by the New Age book God Calling, Sarah Young claims to be receiving messages from Jesus Christ which she compiled into what is now her best-selling book, Jesus Calling. Former New Age follower Warren B. Smith carefully documents his concerns about her book, her "Jesus," and the New Age implications contained in many of Young's devotional messages. He also warns about the danger of contemplative prayer and in elevating spiritual experiences over the Word of God. "Another Jesus" Calling is his call for much

needed discernment in these very deceptive times. This expanded edition contains seven vital appendices: Changing Jesus Calling: Damage Control for a False Christ, The New Age Implications of Jesus Calling, 10 Scriptural Reasons Jesus Calling is a Dangerous Book, Serious Concerns about the Jesus Calling Devotional Bible, Ten Basic Warnings About Deception, Ten Ways to be More Discerning, and The Gospel of the True Jesus Christ [AJC] 232 pages | \$14.95 | Mountain Stream **Press** (distributed by Lighthouse Trails)

EXPOSING THE QUANTUM LIE-DVDS WITH BOB DEWAAY AND WARREN B. SMITH

The church and the world are being offered a new Christianity, and millions of people are buying into it. But when the outer layers of this New Spirituality are stripped away, what lies beneath is the Quantum Lie that started in the Garden of Eden. This deception will play out as the Bible predicts until the return of Jesus Christ to a world that has become completely deceived into believing that God is in everything. Filmed in 2005 with information still relevant today. [QL] About 4 hours of lecture in 4 DVDs | \$25.00

EMERGING CHURCH LECTURE SERIES

FEATURING ROGER OAKLAND

In The Emerging Church—Part One: Man's Spiritual Journey, Past, Present and Future, Roger documents Satan's three-legged stool plan, which was introduced at the Tower of Babel and is being re-introduced today. This plan is setting the world up for a one-world government, a one-world economy, and a one-world religion just as Bible prophecy reveals will take place in the last days. [EC-1] 70 Minutes | \$14.95 | DVD | 978-0-9895093-4-3

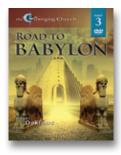

In The Emerging Church—Part Two: Road to Rome, Roger presents documentation to show that many worshipers are being drawn into the Roman Catholic New Evangelization program without being aware of it. Icons, incense, candles, sacraments, and images are preparing the way for the revelation of the Roman Catholic Eucharistic Christ. [EC-2] 70 Minutes | \$14.95

| DVD | 978-0-9895093-7-4 🐽

The Emerging Church—Part Three: Road to Babylon addresses the fast growing emerging (progressive) church movement, showing how it is seducing this generation and leading it toward a false one-world religious system. This DVD documents the present-day contemplative prayer movement that the emerging church is heavily promoting and implementing. [EC-3] 70

In The Emerging Church—Part Four: Proclaiming the Gospel in the Midst of Last Days Apostasy, Roger shows that we are living during the very time when "strong delusion" of the last days is underway. While revealing the dangers and pitfalls of purpose-driven, emerging, and contemplative Christianity, Roger encourages Bible believing Christians to boldly stand for the truth and to be witnesses for Jesus Christ. THE NEW FACE OF MYSTICAL SPIRITUALITY 3-DVD LECTURE SERIES WITH RAY YUNGEN

FULL SET PRICE: JUST \$30.00 FOR ALL 3 DVDS [NFM]

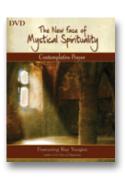

The New Age movement can be likened to "an old melody played by a new band." What makes this new band significant for our times is that over forty million people, in the US alone, are now dancing to its melody. Ray Yungen examines the source and nature of this modern spiritual movement and gives credible evidence to its widespread influence in our culture. Yungen refers to this spirituality as the invisible denomination because it is found in business, health and fitness, education, and religion. [NFM-ID] 45 minutes

CONTEMPLATIVE PRAYER

In his clear and understandable style, Ray Yungen explains the dynamics of contemplative prayer. Unlike biblical prayer, this "new" form of prayer halts the normal flow of thought processes and takes the participant into a mystical state as is practiced in eastern mysticism. Although promising much in the realm of intimacy with God, you will learn how this practice delivers a package of seducing spirits and a pantheistic view that is characteristic of the New Age. [NFM-CP] 50 minutes |\$12.95 | DVD | 978-0-9824881-2-6

THE EMERGING CHURCH & INTERSPIRITUALITY

In this talk, Ray Yungen unmasks the spirituality behind the emerging church movement—its direct ties to the New Age movement. It is essential that every believer knows what the emerging church is all about and how this "new spirituality" is replacing the biblical Gospel of Jesus Christ with an interspiritual universalistic *gospel* that undermines the Cross and the foundations of true Christianity. CULTURAL ISSUES

COLOR, COMMUNISM, AND COMMON SENSE—A TRUE STORY BY MANNING JOHNSON

"The heavy hand of communism has stirred up racial strife, creating confusion, hate, and bitterness so essential to the advancement of the red cause."—Manning Johnson

The words penned in *Color, Communism, and Common Sense* by Manning Johnson in 1958 eerily resonate with the troubled atmosphere that arose in 2020 and remains embedded today in our Western culture.

Manning Johnson spent ten years as a high-ranking member of the Communist Party of the USA, believing that the Party could help the conditions of black people in America at that time.

When finally realizing that the Communist Party was not helping but actually harming black people and using them for its own purposes, Johnson left the Party and spent the rest of his life warning about communism.

This special 2021 edition includes photos, illustrations, and two bonus sections about current affairs in the 21st Century: *Critical Race Theory and the Church* and *S Is for Social Justice: The Language of Today's Cultural "Revolution."*

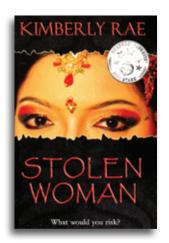

"And let us pray and work, that the misunderstanding, the bitterness, the hate, and the frustration, and the tension that exists may disappear and that the Spirit of God, the Spirit of Truth, the Spirit of Charity may prevail again amongst our people."—Manning Johnson, 1959 (spoken the year Mr. Johnson died)

THE ROAD TO ROME

SIMPLE ANSWERS— UNDERSTANDING THE CATHOLIC FAITH An Evangelical Primer

BY RAY YUNGEN

For five hundred years, there has been a theological hostility between the Catholic and Protestant churches because of a radically different interpretation of the Christian faith despite some similarities. All that has changed dramatically over the last few decades as popular and influential

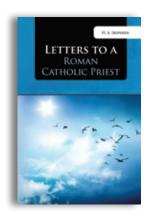

evangelical leaders have decided that what unites us is greater than what divides. But this acceptance ignores crucial differences regarding the nature of salvation and the relationship between the Christian and God.

Simple Answers dispels the notion that the Catholic faith (including the Catholic approach to salvation) is more or less in tune with biblical Christianity. The book also gives dire warning about the influence of Catholic mysticism on the current evangelical scene and how this could lead many into occultic influences. Simple Answers is not just a rehash of the traditional objections but challenges Christians on a biblical level they may never have considered before. [SA] 160 pages | \$12.95

TAIZÉ—A COMMUNITY AND WORSHIP

Ecumenical Reconciliation or an Interfaith Delusion? BY CHRIS LAWSON

Over 100,000 young people visit Taizé Community in France every year. Many of them are from Christian homes. What's more, an increasing number of churches are introducing Taizé worship practices in their church services. Wanting to provide an atmosphere of love, acceptance, and unity where "reconciliation" can take place between those of different beliefs and religious persuasions,

"Brother Roger" (Taize's late founder) created what has become an internationally recognized ecumenical monastic brotherhood. While no one can question Brother Roger and the "Taizé Brothers" sincere desire to help others, this passion overrode a desire for biblical discernment, and they neglected to protect and uphold the Gospel message that presents a narrow way to truth, wherein salvation comes only through one Person rather than all paths leading to God. This book examines Taizé—the community and the worship—through the filter of Scripture. [TAIZE] 88 pages |

HEROES OF THE FAITH IN MODERN ITALY BY J.S. ANDERSON

A real treasure! Originally published in 1914. From the apostolic age down to our own, God has had His witnesses in Italy. All are noble accounts of conversion, perseverance in the faith, persecution, suffering, and victory! [ITLY] 115 pages |

QUEEN OF ALL BY ROGER OAKLAND

Queen of Rome, Queen of Islam, Queen of All: The Marian apparitions' plan to unite all religions under the Roman Catholic Church. According to the Book of Revelation, a woman will reign over the kings of the earth in the final days. The apostle John marveled with great amazement when he saw the woman who says in her heart, "I sit a queen" (Revelation 18:7). We are even told that she will sit over the nations (Revelation 17:15). NATIVE SPIRITUALITY

MUDDY WATERS

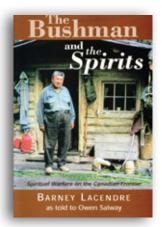

An Insider's View of North American Native Spirituality

BY NANCI DES GERLAISE

Many Christians see no problem combining the beliefs and practices of Native American Spirituality with their view of Christianity. But Nanci Des Gerlaise knows differently. Raised on a Metis settlement with fifteen brothers and sisters, Nanci's childhood and young adult life was riddled with terrors that come with being the daughter and granddaughter of medicine men. After years of struggle, oppression, and

spiritual darkness, Nanci found light and truth in the One who offered her freedom. The autobiography includes the definitions of many terms as well as valuable information and insights. [MW] Illustrated | 232 pages | \$14.95 | 978-0-9846366-4-8

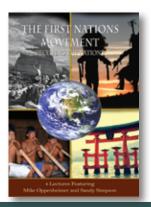

THE BUSHMAN AND THE SPIRITS BY BARNEY LACENDRE

Big Barney Lacendre was the stuff of legends. He has stood at a distance and driven nails into trees with a crack shot from his rifle. He was attacked by a bear and capsized in white water and lived to tell about it. He was "one of the biggest drunks, fastest spenders, and roughest fighters around." He was also a practicing medicine man who served the evil spirits. With their help, he healed people and caused many unusual things to happen. But he also knew the spirits' darker side—and relates startling, chilling accounts. Then one day, the bushman became a brand-new person. [BSH] 148

PROTECTING CHILDREN

I AM SAFE COLORING/ACTIVITY BOOK BY KIMBERLY RAE

The coloring book, *I AM SAFE*, has pleasant, cheerful pictures and begins with safety tips children are already comfortable and familiar with, such as fire safety or bike safety. It moves into healthy ways to express the concepts of good touch/bad touch, what to do if an adult gives them a present to keep a bad secret, etc.

As a child goes through the book, it presents protective concepts in the same way for abuse as it does for fire safety, helping the child learn without being frightened. Most importantly, along with the coloring book comes a parent/teacher/advocate companion. This companion book has smaller versions of the same pictures, so an adult can color along with the child, creating a comforting setting rather than a "We need to talk" discussion setting. WHAT LOVE IS THIS? BY DAVE HUNT

Discussions with many people around the world reveal that multitudes of sincere, Bible-believing Christians are "Calvinists" only by default. It takes only a few simple questions to discover that most of those who regard themselves as Calvinists are largely unaware of what John Calvin and his early followers of the sixteenth and seventeenth centuries actually believed and practiced. Nor do they fully understand what most of today's leading Calvinists believe. What Love Is This? exposes the actual beliefs of Calvinism

and addresses all the issues surrounding this doctrine. **[WLT] 546 pages | \$23.95** | **The Berean Call |** Also *What Love Is This?*, as an 80-minute DVD presentation by Dave Hunt **[WLT-DVD]** \$15.95

IRONSIDE

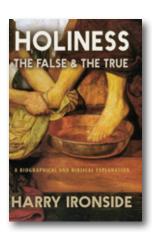

CHANGED

BY BEHOLDING

HOLINESS: THE FALSE & THE TRUE

For the first six years of Harry Ironside's Christian life, he was involved with a group that taught that sinless perfection could be obtained by the believer with an experience called the "second blessing." Ironside believed that if he strove hard enough, zealously resisted temptations, and used a variety of methods taught him by the group, he could reach this state of perfection. During this time period, Ironside became tormented in thinking that he had perhaps lost his salvation and was doomed to be eternally lost because he failed to reach this level of perfect holiness. The first part of the book is biographical; the second part is a biblical explanation. [HLY]

WILES OF THE DEVIL—DVD LECTURE WITH ROGER OAKLAND

Basically a 101 class on understanding why we need to be discerning and what spiritual deception looks like. According to the Bible, the major battle mankind faces is not in flesh and blood but instead is against beings from an unseen spiritual dimension. The Bible also tells us that Satan is the master planner of this deception and that he has a number of clever schemes to deceive the whole world. In this lecture, Roger Oakland unmasks Satan's most effective plans

in operation today that keep multitudes of people from believing in the Gospel of Jesus Christ. Further, he shows how even Christians have been influenced by Satan's clever schemes making them ineffective in these last days. **[WD] 1 hour | \$14.95 |**

FAITH & THE CHURCH

STRENGTH FOR TOUGH TIMES BY MARIA KNEAS

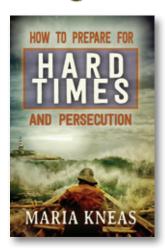

How do we live *in* the world but not *of* the world, especially in the challenging times of today when things in which we used to trust no longer seem to be reliable? How can we find security, peace, and joy in tough times? This book contains practical and biblical lessons that were learned the hard way—in the furnace of affliction. HOW TO PREPARE FOR HARD TIMES AND PERSECUTION

BY MARIA KNEAS

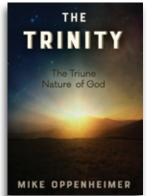

Official government documents say that evangelical Christians are potential terrorists, and some Christian groups are even called hate groups. Christian doctors and nurses are being forced to perform abortions, and a Christian baker has been threatened with prison for not baking a wedding cake for a homosexual ceremony. Christians are being forced to go through "sensitivity training" in order to "rehabilitate" from their religious beliefs and resulting moral

convictions. North American Christians are in the early stages of persecution, and it is increasing. Unfortunately, many will be blindsided by it because few pastors and church leaders are warning about it or preparing believers for it. [PFP] 232 pages | \$13.95 |

THE TRINITY: THE TRIUNE NATURE OF GOD BY MIKE OPPENHEIMER

The triune nature of God is one of the core doctrines of the Christian faith and distinguishes Christianity from all other belief systems. Yet, today, more than ever, the Trinity is being challenged as an authentic doctrine. How does God define Himself, and how do we explain to others the God of the Scriptures? EVANGELISM & WITNESSING

THE APPOINTMENT—DVD

A 1991 classic and winner of three film-festival awards, The Appointment is a thought-provoking evangelistic film about Liz Watson, a hot-shot reporter writing anti-God editorials for her local newspaper. One day a mysterious visitor comes to her office with a message he says is from the Lord. He tells her that on September 19th at 6:05pm she is going to die. Is this a hoax? Or the truth? She has eight days left . . . and the suspense begins. [TA] 39 minutes | \$9.00 | DVD | Christiano Film Group

WATERING THE GREYHOUND GARDEN BY WARREN B. SMITH

Warren B. Smith recounts his job as a Travelers Aid social worker at the San Francisco Greyhound Bus terminal. In fifty-one heartfelt stories, Smith describes some of the many people he encountered at the depot and on the streets of San Francisco. The Greyhound Bus terminal was like a modern-day Jericho Road where broken-down travelers were in urgent need of help. Their stories tell the universal story of the wayfaring stranger—the traveler in trouble. A Scripture verse at the

beginning of each story points non-believing readers to the truth. [WTR-GR] 181 pages | \$14.95 | Mountain Stream Press (distributed by Lighthouse Trails)

EVANGELISM & WITNESSING

LET THERE BE LIGHT BY ROGER OAKLAND

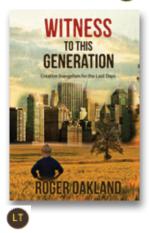

As a young university student, Roger becomes an evolutionist and later a professor who teaches evolution. Through a series of painful circumstances, he begins searching for answers to life-until one day he is hit with the realization that God created everything. Becoming a born-again Christian, Roger travels the world exposing the fallacy of evolution and warning of apostasy entering the evangelical church. But the cost of telling the truth and warning the church is high. [LTBL]

WITNESS TO THIS GENERATION BY ROGER OAKLAND

Provides biblical insights showing how "creation evangelism" can be used to share the Gospel of Jesus Christ to our generation. Proclaiming the Good News of Jesus Christ to our present generation is becoming increasingly more difficult. While people everywhere have embraced Darwinian evolution as a means of explaining away the existence of God, there is a growing trend in our society to accept the New Age worldview that evolution is God. THE TRUTH ABOUT MORMONISM BY DENNIS & RAUNI HIGLEY

Dennis and Rauni both held privileged positions in the LDS church. Eventually, they became increasingly concerned about discrepancies hidden by the Mormon Church and began to study God's Word and compare it with LDS teachings. This ultimately led Dennis and Rauni out of the darkness and into the light. A handy pocket-size book for personal and group study, as well as for evangelism of the LDS missionaries who visit your doorstep. [HG-MRM] 78 pages | \$4.50 | The Berean Call

BRYCE HOMES INTERNATIONAL

BRYCE HOMES INTERNATIONAL was founded by Understand The Times, International (the ministry of lecturer and author Roger Oakland) as a program to assist Christian widows and children around the world. The program is in memory of Bryce Oakland (1974-2001), Roger's son.

In 2011, Lighthouse Trails partnered with Understand The Times to help widows and children in Kenya, Africa. The Kenya Bryce Home program currently has about three dozen Bryce Homes (several former ones are now self sufficient). A number of homes have been built for widows who were in dire situations when they became part of the Bryce program. In addition to new homes, monthly food supplements are given to the Bryce Homes in Kenya. Other needs being met include education costs (there is no free public school in Kenya), Bible teaching, spiritual needs and mentoring, and help starting small home businesses. The support from Lighthouse

Trails readers has been an integral and vital part of this missions work in Kenya. If you would like to join us and other LT readers in financially and prayerfully supporting this Understand The Times work, please visit www.understandthetimes.org or use the contact information below. This is a wonderful program that is run with integrity and biblical standards. Understand The Times is a 501 (c) 3 non-profit ministry, and donations are tax deductible.
