LIGHTHOUSE TRAILS PUBLISHING

SINCE 2002

VOLUME 17 PRODUCT CATALOG

Greetings,

We are very happy to present this new volume of our product catalog. Since 2002, we have endeavored to proclaim and defend the Gospel in a time when assaults against it are coming from many different directions. Our hope and prayer is that our materials will help you to be watchful and discerning in these tumultuous times, to hold steadfast to the faith, and to be equipped with biblically sound tools to share with others. It is always our prayer that the resources we present point to the wonderful truths of God's Word and to the Gospel which remains "the power of God unto salvation" (Romans 1:16) to "whosoever believeth in Him" (John 3:16). May God bless you and your loved ones.

TWO FEATURED RELEASES

A NEW NARRATIVE FOR A "NEW" WORLD—A COMPENDIUM OF TERMS TO DISCERN TODAY'S DIALECT **BY CHRIS LAWSON, KEVIN REEVES, WARREN B. SMITH, MARY DANIELSEN, CARL TEICHRIB, AND RICHARD & LINDA NATHAN**

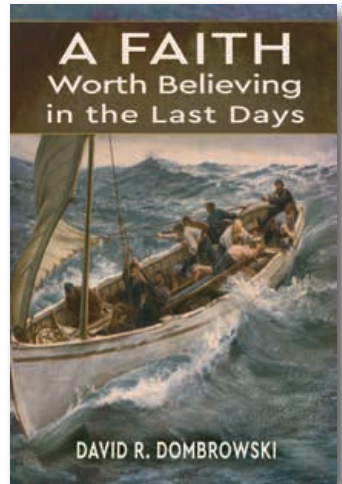

A compilation of eight glossaries from seven different Lighthouse Trails authors. Each chapter presents terms and definitions from a different ideology (such as social justice, signs & wonders, and global transformation). The book has a two-fold purpose: First, each author's included commentary draws the various chapters together and paints an overall picture—a story, if you will, of what is taking place today in the church and in the world in the spiritual landscape.

And second, the book defines and explains provocative language and terms that have deceived many. It will provide a vital resource to be used for years to come (should the Lord tarry). [NNW] 264 pages | \$14.95 | **LT**

A FAITH WORTH BELIEVING IN THE LAST DAYS **BY DAVID R. DOMBROWSKI**

In this present perilous time in history when the world is in great turmoil, the church should be a beacon of light, pointing the lost to a faith that is worth believing. But how can the church point to such a faith when it is floundering itself? False teachings and dangerous distortions of the Gospel message have seduced countless Christians and the pastors and leaders they unwittingly follow.

A Faith Worth Believing in the Last Days shows the way back to the shore of truth by untangling the ropes of deception that have captivated and imprisoned the hearts of so many. While covering such topics as Calvinism, Catholicism, false signs and wonders, New Age and pagan practices, legalism, and the coming one-world religion and the Antichrist, the book brings clarity to what biblical faith looks like and why it should be defended, protected, and believed. [FWB] 220 pages | \$13.50 | **LT**

160 TOPICAL BOOKLETS

Lighthouse Trails began publishing these 10-18 page topical booklets in January of 2013, and we hope and pray they are making a difference! Won't you join us in distributing this essential information to people you know? We believe it is imperative that people are warned about spiritual deception so they will be better equipped to recognize "Satan's devices" and be strongly influenced by the Word of God. The Lighthouse Trails booklets do both of these things. The content of each Lighthouse Trails booklet can be read on our blog prior to purchasing (www.lighthouse Trailsresearch.com/blog).

Printed on high quality, durable gloss paper

Full color covers

5 1/2" x 8 1/2" | 10-18 pages each

Can be purchased individually or in bulk.

The booklets are topical and designed to share with others important truths from a biblical perspective. What is so wonderful about these booklets is two-fold: one, we are making them available at very low prices so just about anyone can afford to buy them (and with quantity orders of six or more *of the same title*, the discount is as much as 45% off retail); and two, we are told when they are being handed out to people by our readers, people are reading them. That's the best news of all!

Each booklet is written by one of over 35 Lighthouse Trails authors. We will be adding new booklet titles throughout each year. Booklets can be purchased individually or in bulk at very affordable prices.

Each booklet is \$1.95 retail with the following discounts for multiple copies of the *same title*:
6-25: \$1.66 ea; 26-50: \$1.46 ea; 51-100: \$1.28 ea;
and 101 and over: \$1.07 ea.

These discounts are for quantities of the same title.

FOR MANY SHALL COME IN MY NAME BY RAY YUNGEN

This book reveals and documents how and where the New Age movement has permeated virtually all aspects of our society, including the church. It's an essential read to understand the "roots" of much of the deception that is in the church today. [FMSC] 224 pages | \$13.00 | **LT**

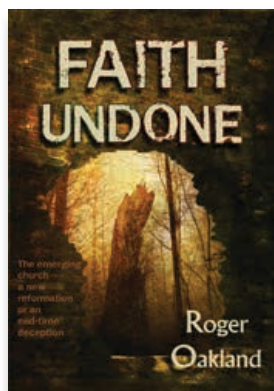

THE GOOD SHEPHERD CALLS BY ROGER OAKLAND

Latter-day deception that the Bible describes has impacted every evangelical and Protestant denomination to one degree or another, and it is worldwide. The sheep have been led astray by shepherds who have neglected what they have been called to do—protect the sheep. warn believers and unbelievers alike. [GSC] 288 pages | \$10.00 | **LT**

EVANGULLIBLE

Over the last four decades, the *unholy* spirit and deceptive false teachings of a New Age/New Gospel have worked their way into an undiscerning and all-too-gullible church. Pastors and church leaders who years ago warned about New Age deception have hardly talked about it since. As a result, this New Gospel of the New Age is presently viewed by most believers as a long-ago past occurrence even as its overlapping terms, false teachings, and deceptive practices continue to creep into the church. THE TITANIC AND TODAY'S CHURCH

The Titanic and Today's Church is the story of two shipwrecks. One took place over a century ago; the other is in progress and is happening today. The similarities are astounding as they compel us to become more aware of our Spiritual Adversary's schemes and devices (2 Corinthians 2:11), effectively "stand against" them (Ephesians 6:11), and "come out from among them" (2 Corinthians 6:17). "ANOTHER JESUS" CALLING

How Sarah Young's False Christ Is Deceiving the Church

Inspired by the New Age book *God Calling*, Sarah Young claims to be receiving messages from Jesus Christ which she compiled into what is now her best-selling book, *Jesus Calling*. Former New Age follower Warren B. Smith carefully documents his concerns about her book, her "Jesus," and the New Age implications contained in many of Young's devotional messages. He also warns about the danger of contemplative prayer and in elevating spiritual experiences over the Word of God. DECEPTION IN THE CHURCH—THE BEREAN CALL

CHRISTIANITY AND ANTI-CHRISTIANITY IN THEIR FINAL CONFLICT BY SAMUEL J. ANDREWS

A stunning work of interpreting biblical prophecies in the light of the times of Samuel J. Andrews, which took place during the late 1800s. It reads as though it were written today, with the only difference being that the issues addressed have increased exponentially, and the apostasy they have fed is now worldwide. PEACE, PROSPERITY & THE COMING HOLOCAUST BY DAVE HUNT

EMERGING CHURCH LECTURE SERIES

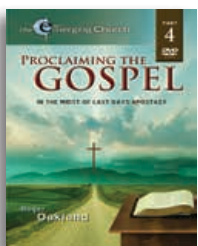

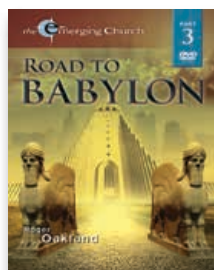

FEATURING ROGER OAKLAND

In *The Emerging Church—Part One: Man's Spiritual Journey, Past, Present and Future*, Roger documents Satan's three-legged stool plan, which was introduced at the Tower of Babel and is being re-introduced today. This plan is setting the world up for a one-world government, a one-world economy, and a one-world religion just as Bible prophecy reveals will take place in the last days. **[EC-1] 70 Minutes | \$10.00 | DVD | LT**

In *The Emerging Church—Part Two: Road to Rome*, Roger presents documentation to show that many worshipers are being drawn into the Roman Catholic New Evangelization program without being aware of it. Icons, incense, candles, sacraments, and images are preparing the way for the revelation of the Roman Catholic Eucharistic Christ. **[EC-2] 70 Minutes | \$10.00 | DVD | LT**

The Emerging Church—Part Three: Road to Babylon addresses the fast growing emerging (progressive) church movement, showing how it is seducing this generation and leading it toward a false one-world religious system. This DVD documents the present-day contemplative prayer movement that the emerging church is heavily promoting and implementing. **[EC-3] 70 Minutes | \$10.00 | DVD | LT**

In *The Emerging Church—Part Four: Proclaiming the Gospel in the Midst of Last Days Apostasy*, Roger shows that we are living during the very time when “strong delusion” of the last days is underway. While revealing the dangers and pitfalls of purpose-driven, emerging, and contemplative Christianity, Roger encourages Bible believing Christians to boldly stand for the truth and to be witnesses for Jesus Christ. **[EC-4] 70 Minutes | \$10.00 | DVD | LT**

THE NEW FACE OF MYSTICAL SPIRITUALITY 3-DVD LECTURE SERIES WITH RAY YUNGEN

FULL SET PRICE: \$22.00 FOR ALL 3 DVDS [NFM]

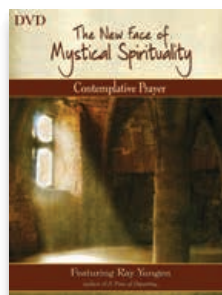

THE INVISIBLE DENOMINATION: THE NEW AGE

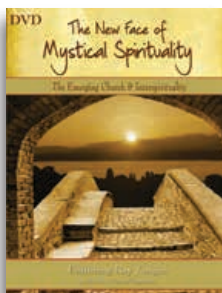

The New Age movement can be likened to “an old melody played by a new band.” What makes this new band significant for our times is that over forty million people, in the US alone, are now dancing to its melody. Ray Yungen examines the source and nature of this modern spiritual movement and gives credible evidence to its widespread influence in our culture. Yungen refers to this spirituality as *the invisible denomination* because it is found in business, health and fitness, education, and religion. [NFM-ID] **45 minutes** | \$10.00 | DVD | **LT**

CONTEMPLATIVE PRAYER

In his clear and understandable style, Ray Yungen explains the dynamics of contemplative prayer. Unlike biblical prayer, this “new” form of prayer halts the normal flow of thought processes and takes the participant into a mystical state as is practiced in eastern mysticism. Although promising much in the realm of intimacy with God, you will learn how this practice delivers a package of seducing spirits and a pantheistic view that is characteristic of the New Age. [NFM-CP] **50 minutes** | \$10.00 | DVD | **LT**

THE EMERGING CHURCH & INTERSPIRITUALITY

In this talk, Ray Yungen unmask the spirituality behind the emerging church movement—its direct ties to the New Age movement. It is essential that every believer knows what the emerging church is all about (though going by different names today) and how this “new spirituality” is replacing the biblical Gospel of Jesus Christ with an interspiritual universalistic gospel that undermines the Cross and the foundations of true Christianity. COLOR, COMMUNISM, AND COMMON SENSE BY MANNING JOHNSON

"The heavy hand of communism has stirred up racial strife, creating confusion, hate, and bitterness so essential to the advancement of the red cause."—**Manning Johnson**

The words penned by Manning Johnson in 1958 eerily resonate with the troubled atmosphere that arose in 2020 and remains embedded today in our Western culture. Manning Johnson spent ten years as a high-ranking member of the Communist Party of the USA, believing that the Party could help the conditions of black people in America at that time. When finally realizing that the Communist Party was not helping but actually harming black people and using them for its own purposes, Johnson left the Party and spent the rest of his life warning about communism. One of the strongest and most influential deceptions in our day is the environmental movement. It has finally reached a crescendo with the exposure of e-mails from scientists who covered up the facts for the sake of their agenda. How accurate are the scientists’ “findings”? Is this really a life or death issue for the planet and its creatures, or is there more to this than what we have been told? [MO-GW 70 minutes | \$12.00 | 1 DVD | **LT**

AS IN THE DAYS OF NOAH LECTURE—DVD WITH MIKE OPPENHEIMER

Jesus spoke of the last days and likened them to the days of Noah prior to the worldwide flood. The Bible talks about another judgment called the tribulation coming to a rebellious world. What will the world be like before this last worldwide judgment comes? What will Christianity look like? Is prophecy being fulfilled, and where are we heading? A globalist agenda is behind the many changes that are taking place in our world today with the UN, WEF, and others paving the way. Science “falsely so called” is running amuck.

This lecture addresses many topics and includes PowerPoint and video clips. [MO-NH] approx. 60 minutes | \$10.00 | 1 DVD (distributed by Lighthouse Trails)

LETTERS TO A ROMAN CATHOLIC PRIEST BY HARRY A. IRONSIDE

Contains personal letters addressed to a parish priest of the Church of Rome, whose acquaintance Ironside made on a railway journey. THE TRUTH SET US FREE: TWENTY-THREE FORMER NUNS TELL THEIR STORIES COMPILED BY MARY HERTEL

Twenty-three remarkable and intensely personal testimonies of former Roman Catholic nuns each who wanted to become a “bride of Christ” as a means of living a devoted life to God in His service. But in the midst of each woman’s servitude to God was an inner turmoil and emptiness that created an overwhelming spiritual void. The stories span England, Ireland, Scotland, Spain, the United States, South America, Germany, Switzerland, and Canada, while each revealing a religious system that could not fulfill the longing for God’s peace and assurance of salvation.

The stories are of women, some of whom spent decades within the structure of the Catholic Church, who eventually took hold of the promises of God’s Word such as, “Ye shall seek me, and find me, when ye shall search for me with all your heart.” The message these former nuns carry is as relevant today as it was when they lived it. Their search is every person’s search. Twenty-three very different stories, yet with biblical cohesiveness, present the only way that sets a person free and brings him or her out of darkness and into the light—through faith, not in themselves or their works but in the completed work of Jesus Christ. SIMPLE ANSWERS—UNDERSTANDING THE CATHOLIC FAITH BY RAY YUNGEN

Dispels the notion that the Catholic faith is more or less in tune with biblical Christianity. The book also gives dire warning about the influence of Catholic mysticism on the current evangelical scene and how this could lead many into occultic influences. This is not just a rehash of the traditional objections but challenges Christians on a biblical level they may never have considered before. Also, one chapter discussing those evangelical leaders who have shown a “new openness” to the Catholic tradition. [SA] 160 pages | 8.00 | **LT**

Also covers topics such as transubstantiation, the Monstrance, eucharistic “miracles,” “Mary” apparitions, and the “new evangelization” from the papacy that seeks to bring the “lost brethren” back to the “Mother Church.” There is also a chapter that critiques Mel Gibson’s *The Passion*, showing its hidden agenda. CALVINISM: NONE DARE CALL IT HERESY BY BOB KIRKLAND D.D.

To call something heresy is clearly a strong accusation and should never be done flippantly. For something to be heresy, it must deviate from the fundamental teachings of the Bible. And nothing can be more serious than a deviation from the Gospel itself. Calvinism presents “another gospel.” Today, a growing number of churches, ministries, and Christian colleges are promoting Calvinism. While Calvinist scholars claim that Calvinism is complex (and they have indeed created a complex system), the rudiments of it are very basic, and it can be readily understood. This book helps us do that. [CLVN] 128 pages | \$11.00 | **LT**

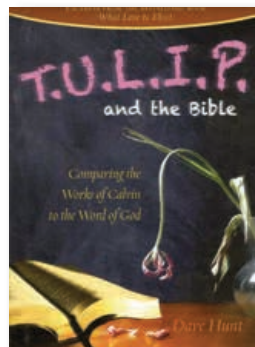

WHAT LOVE IS THIS? BY DAVE HUNT

Multitudes of sincere, Bible-believing Christians are “Calvinists” only by default. It takes only a few simple questions to discover that most who regard themselves as Calvinists are largely unaware of what John Calvin and his early followers of the sixteenth and seventeenth centuries actually believed and practiced. Nor do they fully understand what most of today’s leading Calvinists believe. *What Love Is This?* exposes the actual beliefs of Calvinism and addresses all the issues surrounding this doctrine.

NATIVE SPIRITUALITY

MUDDY WATERS

An Insider's View of North American Native Spirituality

Many Christians see no problem in combining the beliefs and practices of Native American Spirituality with their view of Christianity. But Nanci Des Gerlaise knows differently. Raised on a Metis settlement with fifteen brothers and sisters, Nanci's childhood and young adult life was riddled with terrors that come with being the daughter and granddaughter of medicine men. After years of struggle, oppression, and spiritual darkness, Nanci found light and truth in the One who offered her freedom. THE BUSHMAN AND THE SPIRITS

BY BARNEY LACENDRE

Big Barney Lacendre was the stuff of legends. He has stood at a distance and driven nails into trees with a crack shot from his rifle. He was attacked by a bear and capsized in white water and lived to tell about it. He was “one of the biggest drunks, fastest spenders, and roughest fighters around.” He was also a practicing medicine man who served evil spirits. With their help, he healed people and caused many unusual things to happen. But he also knew the spirits’ darker side—and relates startling, chilling accounts. INNOCENT BY PHILIP ZODHIATES

On December 5th, 2018, Philip Zodhiates was incarcerated to a U.S. federal prison to begin a three-year prison sentence. His crime? As an act of compassion, he helped a distraught mother as she sought refuge for her young daughter whom she had learned was being sexually abused. Because the mother was a former lesbian (now a converted Christian believer), the story received attention from the LGBTQ movement and was soon being portrayed as a hate crime against a homosexual (the mother's ex-partner). *Innocent* not only tells the story of the injustice that took place in a country that has lost its moral foundation but is also a wake-up call that persecution may be right around the corner for those who are trying to do the right thing. THE TRUTH ABOUT MORMONISM BY DENNIS & RAUNI HIGLEY

Dennis and Rauni both held privileged positions in the LDS church. Eventually, they became increasingly concerned about discrepancies hidden by the Mormon Church and began to study God's Word and compare it with LDS teachings. This ultimately led Dennis and Rauni out of the darkness and into the light. A handy pocket-size book for personal and group study, as well as for evangelism of the LDS missionaries who visit your doorstep. [HG-MRM] 78 pages | \$4.50 | **The Berean Call**

30 YEARS A WATCHTOWER SLAVE BY WILLIAM J. SCHNELL

The fascinating account of William Schnell's involvement with the Watchtower Society in the 1920s. Schnell learned that the Jehovah's Witness religion he had joined was anything but innocent. For thirty years he was enslaved by one of the most totalitarian religions of our day; and his story of finally becoming free is riveting. Readers will be alerted to the inner machinations, methods, and doctrines of the Watchtower Society, arming them to forewarn others and witness to their Jehovah's Witness friends, relatives, neighbors, and the stranger at the door. STRENGTH FOR TOUGH TIMES BY MARIA KNEAS

How do we live *in* the world but not *of* the world, especially in the challenging times of today when things in which we used to trust no longer seem to be reliable? How can we find security, peace, and joy in tough times? This book contains practical and biblical lessons that were learned the hard way—in the furnace of affliction. [STT-2ND] 132 pages | \$11.50 | **LT**

HOW TO PREPARE FOR HARD TIMES AND PERSECUTION BY MARIA KNEAS

Official government documents say that evangelical Christians are potential terrorists, and some Christian groups are even called hate groups. A Christian baker has been threatened with prison for not baking a wedding cake for a homosexual ceremony, and Christians are being forced to go through “sensitivity training” in order to “rehabilitate” from their religious beliefs and resulting moral convictions. North American Christians are in the early stages of persecution, and it is increasing. Unfortunately, many will be blindsided by it because few pastors and church leaders are warning about it or preparing believers for it. [PFP] 232 pages | \$13.95 | **Illustrated** | **LT**

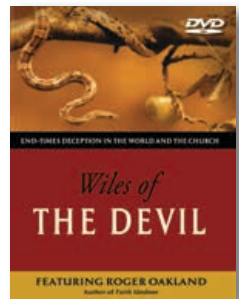

THE TRINITY: THE TRIUNE NATURE OF GOD BY MIKE OPPENHEIMER

The triune nature of God is one of the core doctrines of the Christian faith and distinguishes Christianity from all other belief systems. Yet, today, more than ever, the Trinity is being challenged as an authentic doctrine. How does God define Himself, and how do we explain to others the God of the Scriptures? CHANGED BY BEHOLDING

How is the Christian changed into the image of Christ? Is it through our own holiness or goodness? No, not possible. We do not become holy by looking into our own hearts. We are to look unto Jesus, and as He becomes the object of our hearts, we shall be changed into His blessed image.

Finding Settled Peace with God

“In penning the pages of this book, I have but one outstanding object before me—to make as plain as possible just how any troubled soul may find settled peace with God. I am thinking particularly of those people who believe the Holy Scriptures to be divinely inspired and who recognize that salvation is only to be found in Christ, but somehow have missed the ‘peace of a perfect trust’ and though earnestly desiring to know the Lord, are floundering in perplexity of mind.”—Harry Ironside

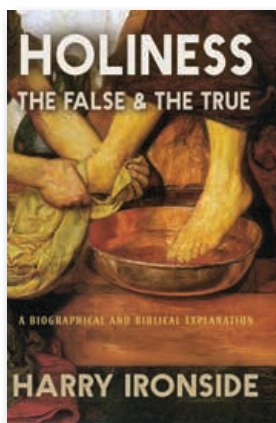

[IR-FA] 160 pages | \$12.95 | **LT**

HOLINESS: THE FALSE & THE TRUE

For the first six years of Harry Ironside’s Christian life, he was involved with a group that taught that sinless perfection could be obtained by the believer with an experience called the “second blessing.” Ironside believed that if he strove hard enough, zealously resisted temptations, and used a variety of methods taught him by the group, he could reach this state of perfection. During this time period, Ironside became tormented in thinking that he had perhaps lost his salvation and was doomed to be eternally lost because he failed to reach this level of perfect holiness. The first part of the book is biographical; the second part is a biblical explanation.

BRYCE HOMES INTERNATIONAL was founded by Roger Oakland of Understand The Times, International in 2006 as a program to assist Christian families, widows, and children around the world. The program is in memory of Bryce Oakland (1974-2001), Roger's son.

In 2011, Lighthouse Trails partnered with Understand The Times to help widows and children in Kenya, Africa. The Kenya Bryce Home program has served over ninety families since 2011 and currently has thirty-three active Bryce Homes (several former ones are now self-sufficient). Many of the widows were in dire situations when they became part of the Bryce program. The family pictured on this page is one of the newest Bryce Homes. The monthly food supplements and the pastoral care have changed this family's situation dramatically and given widow Julita hope for a better future.

One of the most important aspects of the Bryce Home program in Kenya is the SBO (Small Business Opportunity). For widows who are able, Bryce Homes helps them to start small businesses so they can eventually become self-sufficient. The support from Lighthouse Trails readers has been an integral and vital part of this missions work in Kenya. If you would like to join us and other LT readers in financially and prayerfully supporting this Understand The Times work, please visit www.understandthetimes.org or use the contact information below. This is a wonderful program that is run with integrity and biblical standards. Understand The Times is a 501 (c) 3 non-profit ministry, and donations are tax deductible (receipts mailed out from UTT yearly).
